\*Susan Silverman rendered the pencil drawing of the Rhododendron Maximum on the cover.

Fitzwilliam is the home of Rhododendron State Park, named after the 16-acre grove of Rhododendron Maximum, which is the focal point of the park. A 0.6 mile-long universally accessible trail encircles the grove allowing visitors to observe, close up, the fragrant cluster of pink blossoms as they burst into bloom in mid July. The Fitzwilliam Garden Club maintains a wildflower trail that winds through the forest adjacent to the grove.

Since 1946, the property has been operated as the N.H. State Park system's only designated botanical park. The "Old Patch Place" cottage near the park entrance was listed on the National Register of Historic Places in 1980. The rhododendron grove, which is the largest in northern New England, was designated a National Natural Landmark in 1982.

In 1976, at the request of Daley Whipple, a Fitzwilliam resident and State of NH Representative, John Eckberg painted this beautiful portrait of General James Reed. He also hand carved and gold leafed the frame the portrait sits in. The painting was a special order for a "three quarter turn" portrait, which Mr. Eckberg painted from a "straight on" picture and profile. After the painting was finished there was a debate about where it should be hung in town. It was finally decided that the best and safest place would be in the Selectmen's office where it still hangs today.

John Eckberg lived in Fitzwilliam from the early 1930's until his death in 1993. His daughter, Irene Eckberg Holmes has lived in Fitzwilliam for 63 years and was kind enough to provide the information on the history of this important painting.

General James Reed (1722 – 1807) was a veteran of the French and Indian Wars and one of three Revolutionary War Generals that settled here in 1765.

Board of Selectmen  
Town of Fitzwilliam, New Hampshire

We have compiled the financial statements of the Town of Fitzwilliam, New Hampshire for the year ended December 31, 2005 included in the accompanying Form F-65 (MS-5), in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

Our compilation was limited to presenting in the form prescribed by the New Hampshire Department of Revenue Administration, information that is the representation of Town Officials. We have not audited or reviewed the financial statements referred to above and, accordingly, do not express an opinion or any other form of assurance on them.

The financial report, Form F-65 (MS-5), is presented in accordance with the requirements of the New Hampshire Department of Revenue Administration which differ from accounting principles generally accepted in the United States of America. Accordingly, these financial statements are not designed for those who are not informed about such differences.

A handwritten signature in dark ink, appearing to read "Vachon, Clukay & Co. PC", is written in a cursive style.

### RSA 79-A:1 Declaration of Public Interest

"It is hereby declared to be in the public interest to encourage the preservation of open space, thus providing a healthful and attractive outdoor environment for work and recreation of the state's citizens, maintaining the character of the state's landscape, and conserving the land, water, forest, agricultural and wildlife resources. It is further declared to be in the public interest to prevent the loss of open space due to property taxation at values incompatible with open space usage. Open space land imposes few if any costs on local government and is therefore an economic benefit to its citizens. The means for encouraging the preservation of open space authorized by this chapter is the assessment of land value for property taxation on the basis of current use..."

## 2005 BOARD OF SELECTMEN'S REPORT

In 2005 the Town of Fitzwilliam completed a sales study and update of all property assessments to reflect current market value. As a result of this project our equalization as determined by the Department of Revenue Administration is now at 91.5 % and our coefficient of dispersion is at 13.8%, well within New Hampshire state guidelines. We appreciate your patience and cooperation during this very "taxing" process. Due to delays in finalizing our assessments and receiving the needed information from the school district our tax bills went out to residents later than usual. We were forced for the first time in many years to borrow money to pay our tax commitment to the County. The cost of borrowing was \$900.00 and we were able to pay back the loan in early January.

We commend our Department Heads for the diligence they showed in keeping their budgets under control and within their bottom lines. However, many years of tight budgeting caught up with us in 2005 and we did see over expenditures in several areas. There was enough flexibility in other lines to keep us within our appropriation and allow us to add to the fund balance. The fund balance is very important to the Town and the Selectmen can use part of it to help reduce the town portion of the tax bill. This year the Board used \$200,000 for this purpose. We ended the year in a healthy position with over \$800,000 in general fund balance.

An Expendable Trust for building maintenance was established at last year's town meeting and it has proven to be a great success. We were able to complete needed repairs on several town buildings and when the furnace at the Fire Department died just before the end of the year we were able to replace it with the remaining funds in that Trust. This year we are asking for \$38,000.00 to place in the Trust to continue to upgrade and repair buildings throughout the town.

Our newest Selectman, Margo Best, resigned in October due to personal reasons and time constraints. The Board chose to appoint former selectman Susan Silverman to fill out the rest of the year until the new election in March. As a past selectman, Susan brought to the Board needed experience to help through the end of the year.

The Board of Selectmen would like to thank our employees, elected officials and volunteers on various committees for their dedication and hard work for the Town of Fitzwilliam. Thanks especially to our Town Administrator, Paula Thompson, who keeps the office running smoothly and helps us stay in compliance with all the regulations that come our way.

With 2005 behind us we envision a productive year in 2006!

Joan Knight, Chairman

## REPORT OF THE HIGHWAY DEPARTMENT 2005

The Fitzwilliam Highway Department completed several projects during 2005. A bridge on Templeton Turnpike was repaired, then damaged during heavy flooding and then totally replaced. The bridge replacement was quite a project and took several weeks from start to finish. I would like to thank Harry Damon, John Holman, Mark Brockelman and Dan Firmin for their help with this project. Road repairs were made on Number 4 Rd., Templeton Turnpike Rd., Collins Pond Rd. and Webber Lane. Many culverts were replaced, rocks removed, brush cut and ditches cleaned, and then the road was repaved.

Last Town Meeting the Town voted to replace one of the trucks with a new one. I would like to report that we took delivery on the Town's new 2005 International Dump Truck and it is a great addition to the Town's fleet of equipment. On a sadder note, this year I am requesting money to purchase a new sander. This sander is to be mounted on the old Village Fire truck, which was given to the Highway Department by the Fire Department. This new-old truck will be replacing my beloved 1981 Ford Sand Truck, the one that during the past nine years I have driven endless miles over the roads of Fitzwilliam, along with Dino the stuffed dinosaur I strapped to the grill nine years ago. The new sand truck is a 1978 Ford; with only about 12,000 miles on it and I am hoping it will serve the Highway Department as well as it served the Fire Department.

Once again I would like to thank the crew of the Highway Department for all their hard work and long hours they put in for the Town. I would also like to thank Paula Thompson and Debbie Favreau for all their time and numerous phone calls, faxes and e-mails they make for me during the year in order to get all the permits and permission the Highway Department needs to do our work.

Respectfully submitted,

Gene Cuomo  
Road Agent

## 2005 REPORT OF THE TRANSFER STATION

The Transfer Station continues to evolve as new regulations come down from the EPA and the New Hampshire Department of Environmental Services. Some of the fees the Town has to charge for the disposal of certain items have changed as well as the way these items must be disposed of. This can sometimes lead to confusion to the residents using the Transfer Station. Please remember that the Town voted many years ago to recycle. Recycling is not cheap. It involves a lot of labor and storage space, as well as equipment and personnel. The State of New Hampshire is running out of landfill space. The DES predicts by 2017 there will be no more room in any landfill in the State. This is not only a statewide problem but a national problem. Many states have already used up their landfill space and are shipping elsewhere, probably filling New Hampshire's landfills as I write. So what can we do? Continue to recycle, start recycling, recycle more, use less, and most important try to understand what the Transfer Station personnel are trying to do for the Town.

If you have questions about recycling ask for a copy of the Town's Recycling Guide. There are copies at the Transfer Station. If you need more information or have a comment or concern please feel free to call me at 585-2255.

Gene Cuomo  
Road Agent

## 2005 REPORT OF THE POLICE DEPARTMENT

Here it is once again, the end to another year. How quickly time goes by. As I reflect back to January and begin to scroll through the months to collect the department highlights, it seems difficult to separate the daily tasks from the things that are more than routine. Two significant events that are worth mentioning are the purchase of the new four-wheel drive SUV, voted at the town meeting in March. This vehicle is a Ford Expedition, and is equipped and fully marked as a police patrol vehicle. So far, it is performing very well, and is a very suitable and reliable automobile. I believe it will serve our needs for many years to come. Secondly, the department was again plagued by the resignation of a full time officer. The fortunate thing was that we were able to negotiate successful terms with a certified police officer and hired Officer Sean Cavanaugh. Sean had once worked here as a full time officer before transferring to Swanzey, N.H. Sean expressed that he wished to return to Fitzwilliam and was hired to fill the opening. Sean once offered the R.A.D. program, R.A.D. Kids, and other community participating programs. He intends to offer these things again within the ensuing year, along with other department-sponsored events.

The department also added a part time officer, Officer Scott Purvis. Scott has completed the training necessary for certification and is progressing well within the department. We now have three full time officers, three part time officers, a secretary, and an animal control officer.

The police department provides services to the community in the best way possible. Sometimes, when we are short-handed, we refer our calls to the N.H. State Police. Personally, I do not like to do this because it removes the local agency from the events occurring in town. Unfortunately, this is the only resource available to respond to calls for service in our absence. As it seems that all small area departments struggle in maintaining adequate numbers of personnel, perhaps there is some merit to the combining of forces, forming a dual jurisdictional police department. It may, in the end, be more cost effective.

The police deal with a variety of criminal offenses, cases, arrests, accidents, and complaints during any given year. Our 2005 statistics showed 99 cases, 71 cleared by arrest, or some other means. Burglaries were very low this year, recording only a total of six. Four occurred at businesses, one residential, and one seasonal. Criminal mischief cases (vandalism) were in theory, minor in nature. Examples of crimes in this category were tire slashing, graffiti, and mailbox bashing, to name a few. Most of these crimes were perpetrated for reason of anger, retribution, or vendetta. Theft had a high number with a total of 17. Most of these fell into the category of what I call "opportunistic", in that the item stolen was unguarded, easily accessible, and not secured. Property such as ATV's, snowmobiles, canoes, chainsaws and snow blowers are stolen at an increasing rate. You are less likely to be a victim if you take the time to secure your property, put it inside, or store it out of sight.

Fifty-five reportable accidents occurred in 2005, thirteen having personal injury. There were no fatalities. Seatbelts and airbags really work folks, so buckle up. In addition, the police received 1236 general service calls, and logged approximately 32,960 patrol miles.

As always, please feel free to call on the police whenever you need our services. Below I list the primary offenses known.

## 2005 REPORT OF THE ANIMAL CONTROL DEPARTMENT

This year was again extremely busy for the Animal Control Department. The statistics below are not a full list of the types of calls I handle each year, but do include the majority. I also handle many loose or barking dog calls. In addition to the domestic calls I receive, I sometimes assist with non-domestic animal issues. This year, I was involved with assisting a snapping turtle cross the road, an owl held overnight and delivered to a wildlife rehabilitation facility, fox, skunks and squirrels. When dealing with animals, the calls aren't always routine. Though I mainly deal with domestic animals, I try to assist the citizens as much as possible. Please feel free to call for animal control whenever you need assistance.

### Calls for loose animals:

Dogs	102
Cats	45
Horses	17
Livestock	10
Dog bites	7
Cruelty investigations	8

## **2005 REPORT OF THE FIREWARDS**

### **2005 CALLS**

The Fitzwilliam Fire Department responded to 269 calls from the period December 1, 2004 to November 30, 2005. This was the same number of calls as last year.

Among the responses in 2005 were: four (4) structure fires, four (4) chimney fires, thirty-six (36) motor vehicle accidents, seven (7) brush fires and twenty-seven (27) mutual aid fire related responses to nearby communities including Troy, Rindge, Jaffrey, Richmond, Winchendon, Orange, Athol and Royalston, MA. There were forty-two (42) other calls including car fires, automatic fire alarms, downed wires, smoke investigations, assistance with lockouts and other calls of need. The department also responded to one hundred eighteen (118) medical emergencies, and twenty-eight (28) mutual aid medical calls to nearby communities including Troy, Rindge, Richmond, Winchendon, MA and Jaffrey. There were nine (9) public assist/lifeline calls.

### **PERSONNEL, TRAINING, AND EDUCATION**

The department currently has thirty-three (33) active members, one (1) of whom is new to the Fire/EMS service. The department has fourteen (14) members who serve as fire personnel and four (4) as EMS personnel. Fifteen (15) members are both fire and EMS certified. There are twenty-three (23) New Hampshire certified fire fighters, thirteen (13) members are certified at Level I, seven (7) at Level II and two (2) at Level III.

There are seventeen (17) members who are certified at various levels of Emergency Medical Services. Twelve (12) are Nationally Registered EMT-B (basic) members and five (5) are at the Nationally Registered EMT-I (intermediate) level. There are twenty-seven (27) members who are certified in CPR for the Healthcare Provider.

In 2005 members obtained various levels of training, four (4) members became certified at the Hazardous Materials Operations level, seven (7) members became certified in Hazardous Materials Decontamination level, one (1) member completed a technical rescue in confined space rescue course. The department continues to offer monthly training for both fire and EMS personnel. Frequently throughout the year personnel participated in training with our mutual aid response area towns, as well as, training with our members in town.

The department also participated in training with other town officials, including the Board of Selectmen, Highway Department, and Emergency Management in the National Incident Management System, a FEMA course on interoperability in large-scale incident.

In addition, personnel participated in several courses at Meadowood Training Center and the NH Fire Academy in Concord NH as well as at other local departments. Courses included Firefighter I, II and III, Self Contained Breathing Apparatus and Protective Equipment, Basic Pumps and Advanced Pumps, Basic Rescue, Arson Investigation, Advanced Self Contained Breathing Apparatus, Firefighter 101, Pediatric Education for Pre-hospital Professionals. Personnel also participated in several courses at The Cheshire Medical Center and Southern NH Medical Center in Nashua including medication administration, as well as participating in the Center's monthly Advanced Life Support continuing education.

## **Firewards Report - Continued**

### **VEHICLES**

Our inventory of vehicles includes the 2003 Pierce Contender pumper, the 1973 Mack crew cab pumper, purchased by the Fire Department membership, the 1978 Mack Tanker, 1999 Ford Ambulance and the state supplied brush truck.

During 2005 the Fire Department was fortunate to be offered a chance to purchase a 1987 FMC pumper. This truck was completely refurbished in 2000, with a 750 gal poly water tank, 20 gal foam tank, a 1500 gal a minute top mount pump and a crew cab with room for 6 members. This truck came fully equipped with hose, fittings, and tools. This truck was purchased to replace the 1978 Ford pumper that was stationed in the Village Station, which was in need of a \$10,000.00 water tank replacement. This new truck, fully equipped, was bought at bid for \$6001.00 with the use of money out of the 2005 fire department operations budget.

### **2006 BUDGET**

We have presented fire and ambulance budgets we feel meet the needs of the town and the basic needs of the fire and EMS personnel. The fire budget is down \$3,720 from the 2005 requested budget and the ambulance budget has increased \$930.00 from the 2005 budget request. The Budget Committee and the Board of Selectmen are presently reviewing our proposals.

Townpeople can see where their money is being spent in a review of the list of calls and training activities outlined in this report. In addition, we are always open to visits from citizens at the Fire Station any Sunday morning during vehicle and equipment check. You are welcome to stop in to see what the town fire department has, and ask questions that come to mind about your fire and ambulance service.

### **2005 FIRE ACT GRANT**

In 2001 the US Department of Fire Administration and FEMA began a competitive grant for Fire Departments to apply for monies to purchase fire and EMS equipment to assure safety of those serving in Emergency services. The Fitzwilliam Fire Department has every year applied for the grant to assist in purchasing needed equipment.

In January 2006 the Fitzwilliam Fire Department was awarded a \$101,000.00 grant, (95% Federal 5% local option) to replace a substantial portion of our self contained breathing apparatus, as well as, provide a new air compressor and tank fill system and to provide training on this new equipment.

### **THE FITZWILLIAM FIRE DEPARTMENT, INC.**

The FFD, Inc. has forty (40) members some of whom are not providers of Fire and Emergency Medical Services. This organization and the members provide great assistance with support and food at fire and rescue scenes as well as with fundraising activities that help purchase and maintain equipment, which in turns benefits the town.

Although paid by the town for responding to fire, rescue and medical emergencies, the members of the FFD, Inc. have put in over 1400 hours of volunteer work in 2005. These hours may have included work details, fundraising activities, service to the community, attending certified training courses including travel to and from courses, attending meetings and other

## **Firewards Report - Continued**

activities as well as teaching many courses for the community and area fire and EMS agencies.

Due to unforeseen conditions we were not able to put out our annual community calendar. We hope to have everything up and running for 2006 and will have our 14<sup>th</sup> calendar printed for 2007.

We greatly appreciate the support from community members and local businesses that so willingly support our community events such as Annual Fun Fair, our Holiday events and Christmas Tree Sales.

The Fitzwilliam Fire Department, Inc. always welcomes members of the town who would like to join the organization. People need only to be interested in assisting the department at major incidents as well as serving the community.

The Fitzwilliam Fire Department currently has openings for fire and EMS personnel. We are accepting applications for employment. People interested in joining the fire department must be 18 years old, in good health and willing to obtain the needed training to perform as a firefighter and or EMS provider. If you are interested in joining, please contact any of the Firewards or visit the Depot Station on Sunday mornings.

## 2005 REPORT OF THE LIBRARIAN

Total circulation of materials in 2005 reached an all-time high of 21,987. To put this figure into perspective, it reflects a usage per capita of 10.46, higher than any other library in the Cheshire County except Keene. It also exceeds the state and national library circulation averages.

Usage of the Quick Meeting Room continued to increase as well with some weeks in which the room was used every day. In addition to the library programs and use by patrons the room was used by ten local organizations.

In 2005, 435 books, 69 audio books, 77 films and 36 magazine subscriptions were added to the collection which currently stands at 17,712 volumes. Individual statistics included 787 reference transactions, 150 cards issued to new patrons, and computer usage of 1,033. We borrowed 370 books for patrons, as well as 110 books for our Art of Biography discussion series and 100 large prints and loaned 369 books to other libraries. We currently have 1,615 registered users.

Every year we strive to improve our service to the community. In keeping with that philosophy, periodic art shows of local artists began this year, using the newly renovated upstairs meeting hall. By year's end, five shows had been held with over 500 people making their way upstairs.

Commitment to new technologies continued in 2005 with the addition of wireless Internet access to the building for patron use. With a laptop and the password obtained at the circulation desk, access may be obtained throughout the building.

Financial support from the Friends of the Library has allowed us to continue the expansion of the audiovisual collection. This year 32 books on compact disc and 58 films on DVD were added to the collection and proved extremely popular. The Friends decided to forgo the annual National Library Week program in favor of a museum pass to the EcoTarium museum in Worcester Mass. These passes are good through April of this year.

All the work planned for the original building in 2005 was completed. A copper ice shield was added to the left side of the building to prevent the ice dams that have plagued us in the past. During the summer the building was completely repainted with extensive work done on the windows. For the first time in a very long time, the windows were all removed, scraped, painted on both sides and replaced. The windows in the front of the building were insulated to cut down on heat loss and now actually open and close which is a vast improvement! Even the fence was repainted.

Toward the end of the year a new staircase was built to replace the creaky old one to the basement. The upstairs former kitchen, which was the last repository of accumulated stuff, was cleaned out and new shelves are presently being constructed to create some much needed storage space. With the addition of a new water heater in December, the entire building, new and old, is in excellent shape.

A dynamic year of programming, with the emphasis on fun, included a hilarious program with children's book author and illustrator Marty Kelley held at the Emerson School and underwritten with a grant from the Children's Literacy Foundation. Jackson Gillman entertained the children in the fall with Halloween Sillies and the winter program, Lands of the Midnight Sun and the summer program, Camp Wannaread, filled the library with weekly crafts and readers. Wildlife Encounters capped off the summer with a hands-on demonstration of unusual wild animals.

Preschool Storytime had a record 19 children registered and ran weekly for four nine week sessions. Adult programming included the monthly book discussion group as well as a Summer Discussion Series, underwritten with a grant from the NH Humanities Council, at which we enjoyed delicious

## Librarian's Report - Continued

refreshments from the Sunflower Café as well as lively discussions facilitated by Dartmouth professor Suzanne Brown. Saturday Morning Knitters met throughout much of the year and both pysanky and holiday centerpiece programs were offered. Five receptions were held on opening nights of the Art Shows and drew an enthusiastic response.

Our programming and diverse collection would not be possible without the Friends of the Library. This year the funds raised from the Annual Book Sale and the dues of members went to the support of the winter and summer programs for children, program refreshments, the museum pass, a book cart and a \$1,000 donation to support the audiovisual collection. Many thanks to this year's board of Heidi Wood, Amy Safran, Jennifer Skelton, Marianne Van Valkenberg, Donna Hill and Maggie Brogdon.

Thanks to all our volunteers, including Matthew Codispoti, Gretchen Wittenborg and Lorraine White, to our Board of Trustees, Carolyn Edwards, E.B. Quick, Rita Nirenberg, Joanne Kesses and new trustee Diane Schott, to the staff, Kate Thomas and Amy Safran and to the community for all their support.

## 2005 REPORT OF THE RECREATION DEPARTMENT

In 2005, the Recreation Department continued to offer an aerobics class that combines traditional aerobics, kickboxing, strength training, Pilates and stretching exercises. This is one of the self-supporting programs that we run through our recreation revolving account, not depending on taxpayer dollars. The class is taught by Veronika Patty, who is certified to teach aerobics, kickboxing, Pilates, and is a certified personal fitness trainer. The classes take place at the Town Hall on Tuesdays and Thursdays in the upper meeting hall. We also offered a free adult basketball program and volleyball program on Sundays at the Emerson School multipurpose room.

Our 15<sup>th</sup> annual Charlie Wallace 5K road race was held on Saturday, June 25, 2005. We had 66 adult runners participating in the 5K, and 12 children running the 1K Children's Fun Run. This race is run in the memory of Charlie Wallace, long time owner of the Fitzwilliam Inn and resident of Fitzwilliam. This is another self-supporting program that is run through the recreation revolving account.

The 2005 Summer Recreation Program saw smaller enrollment than in years past. We had 7 senior leaders, one junior leader, and between 45 and 50 children registered. The children took part in daily activities like kickball, four square, camouflage, knockout, circle games, quiet games, arts and crafts and much more! We take field trips to Surry Dam Recreation Area or Otter Brook Recreation Area twice a week for swimming, games and picnicking.

The Soccer Program participation was very good this year, with almost 100 children ages 5-11 years old taking part in the K-1 program, junior and senior levels. The soccer program is also run through our revolving account rather than the general operating budget. This program was a success due to the tremendous volunteer efforts by our coaches and a large number of dedicated parents who put in countless hours coaching, helping to run the concession stand (in our new shed!) and helping out with the many other little things that need to be done to run a soccer program. Many thanks to everyone who helped to make the soccer program a success once again!

In 2005, we had the roof of the pole barn replaced, which gave us a much better location for our summer recreation program. It was very nice to stay dry in the rain – and be assured that our supplies inside would also stay dry. Many thanks to the taxpayers who supported this necessary project!

## 2005 REPORT OF THE TOWN CLERK

It has been an especially busy year with the Deputy Town Clerk being out of the office due to medical problems. I did hire Heidi Wood in September to be the Clerk Assistant. She has now been appointed as the Deputy Town Clerk due to the resignation of Joan McLaughlin. We will all miss Joan as she was a friendly, outgoing person that handled all the work in the office so well.

We have processed more registrations this year than the previous year. The amount of registrations processed during the year was 3,692, compared to 3,543 in 2004.

The EREG is there for those of you that would like to register online. We encourage more people to use this service as it will save you so much time. The EREG can be found on the Town's Website, just click on the Town Clerk's Dept and there is an EREG plate, and just follow the instructions. Plan on about 3-5 days to receive your registration(s).

We are now online with the NHVIN System for the State Vital Records and we can do certified copies of birth, marriage or death for anyone that was born, married or deceased in the State of NH. We are extremely pleased to be able to have this service for our townspeople. If you have any questions, please call us during open hours.

This year the Town purchased the accu-vote machine for the Town Elections and State Elections. This will save many hours of counting ballots at the end of all the elections. We will have the election results in a matter of minutes.

Another disturbing thing happened in the office, my archivist, Arian Schuster, moved to Ohio. She did an excellent job organizing the archival room. I had three volumes rebound by the Brown River's Bindery. They are beautiful and I am so pleased with the results. I will continue to have more books rebound this coming year. The preservation of old records is so important to a town's history. I hope that it will be continued in the years to come.

Be sure to say hi to Heidi when you come in the office. She is doing a fabulous job so far.

The Clerk's hours are listed in the Town Report and can also be obtained by calling 585-7791 even when the office is closed. Be sure to check the newsletter for special events and when the office will be closed for any holidays.

Thanks to everyone for your cooperation and patience with us.

Respectfully submitted,

Jane R. Wright, CTC

## 2005 REPORT OF THE CEMETERY COMMISSION

2005 was a year of change for the Cemetery Department. Robert Dunton retired after many years of service as Cemetery Sexton. Peter Best was appointed as the Interim Sexton. The Sexton position has been advertised in the papers and a new Sexton will be hired before spring.

Thanks to a monetary donation for Village Cemetery improvements from the Robert Klein family, three new granite signs were installed at the cemetery this year. The donation also funded the purchase of two granite benches.

Little Monadnock VFW Post #10289 purchased veteran's grave flag holders for both cemeteries this year and this enabled us to place them on the many plots missing holders. If you are aware of a veteran's grave without a flag holder please contact Mike Grab or leave a note at the Selectmen's Office.

Granite engraved fence posts were ordered for the Pine Grove Cemetery using funds from the warrant article approved last year. Unfortunately, due to the numerous periods of wet weather, our contractor was unable to install the posts due to the many schedule delays. Hopefully we will be able to have these installed in the spring as soon as conditions permit working.

We also had two cases of vandalism affecting the cemeteries. Someone threw a pail of liquid tar on the front areas of the department truck which resulted in approximately \$1500 of damages. Later in the summer, the newly hydroseeded area at Pine Grove Cemetery was damaged by an ATV rider. Both situations were reported to the police. Just a reminder, OHRVs including ATVs, off-road motorcycles and snowmobiles are not permitted in the cemeteries at any time.

A new riding mower was purchased this year and the old tractor was sold with the proceeds going to the Town's general fund. A significant amount of tree trimming and cutting was done this year at the Village Cemetery. The old trees continue to have portions with rot or dead limbs and they pose safety hazards to people and the headstones. One large headstone stone was knocked over by a fallen limb but fortunately the stone was not damaged.

The wooden floor and the supporting beams in the Village Cemetery equipment shed have partially collapsed. At the Commissioners request, the Selectmen have included funds in the 2006 warrant article for maintenance and repair of the Town buildings to replace the shed floor with a poured concrete floor which will be a cheaper long-term solution.

We have a number of projects for 2006. We have proposed to remove \$5,000 of accumulated interest from the Village Cemetery Perpetual Care Funds to start the repair and resetting of older headstones in the Village Cemetery. This is a maintenance issue in other local cemeteries and we expect this to be a recurring annual project for several years until we catch up with the deferred maintenance. The projected expense was added to the department operating budget which appears to be a significant budget increase, but there is no tax impact since the offsetting funds will be removed from the interest account.

The last major project that we have proposed is to continue the fencing project at the Pine Grove Cemetery around part of the property perimeter. There has been a NH RSA for many years that requires the

## Cemetery Commissioners Report – Continued

cemeteries to be fenced and we have submitted long range plans to the Capital Improvement Plan (CIP) Committee to accomplish this over a number of years. There will be a Warrant Article to appropriate \$12,000 for this project. As proposed, \$6,000 would be transferred from the Pine Grove Cemetery Capital Reserve Fund and \$6,000 raised via tax revenue.

## 2005 REPORT OF THE PLANNING BOARD

The Planning Board's regulatory duties include the review and approval of all subdivisions, lot line adjustments, voluntary mergers and site plan review applications.

The Planning Board continued to work on its planning functions during the course of the year and will recommend eleven amendments to various ordinances within the Land Use Code for the voters' consideration at the polls on Town Meeting Day, March 7, 2006. The five Land Use Ordinance Amendments presented to Town Meeting in 2005 were approved. The Master Plan was completed, including topographic maps, and is available for sale, along with an Appendix containing demographic information about Fitzwilliam.

Highlights of 2005 include passage of the Growth Management Ordinance, limiting the number of building permits issued annually. This ordinance is reviewed annually and a new limit set, based on data from surrounding towns and the number of permits granted in Fitzwilliam in 2005. The Ordinance will sunset in 2008 unless renewed. The Board gave final approval to the revised Master Plan, which serves as a foundation for town planning until 2008 when a complete revision is scheduled. During 2006 and 2007, a subcommittee of the Board will collect data for planning and to support decisions about the Growth Management Ordinance and Master Plan revision.

After conducting 54 public hearings, the same number of preliminary consultations, and three site walks, the Board:

- 1) Approved six subdivisions creating twenty-two new lots, and continued an eight-lot cluster subdivision application into 2006;
- 2) Approved four wetlands applications;
- 3) Heard five boundary line adjustment cases and approved three, continued one and denied one;
- 4) Approved four residential site plans and four business site plans, denied a site plan application for three AM radio towers, and continued one application for a convenience store to 2006.

The Board held five meetings with Conservation Commission members, one with representatives from Southwest Regional Planning Commission on the revised Master Plan, and held one informational meeting for town residents on a Vision to Action Community Forum planned for May 2006

The Board welcomed newly-elected Selectman, and former Land Use Assistant Margo Best as their Selectmen's Representative in 2005. For personal reasons, Ms. Best resigned in the Fall and Andy Clukey replaced her. Donna Hill was elected to the Planning Board but had to step down for personal reasons. Carole Beckwith was appointed to fill the seat until the next election. Paul Grasewicz and Raymond Russell were appointed alternate members.

The Planning Board meets on the first and third Tuesdays of the month at 7:00pm in the Town Hall. All meetings are open to the public and we encourage your attendance and participation.

## 2005 REPORT OF THE ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment hears appeals from property owners who apply for relief from the terms of the Fitzwilliam Land Use Code. The Board can't change zoning ordinances but it is empowered to decide appeals in accordance with State statute and local law as specified in the Land Use Code.

The Board considers applications for Variances and Special Exceptions, and Appeals from Administrative Decisions and Equitable Waivers of Dimensional Requirements. During 2005 the number of cases deliberated nearly doubled from previous years. In the past the number of cases heard hasn't exceeded sixteen. This year the Board heard a record twenty-nine cases. Seven Special Exceptions were granted and one denied; seven Area Variance applications were granted and one denied; one Use Variance was granted and one denied; one appeal of an Administrative Decision was granted and two were denied; three Equitable Waiver of Dimensional Requirements were granted one motion to rehear was granted and one denied; and two cases were withdrawn.

Court rulings have redefined the landscape of Variances, resulting in a distinction between Use and Area Variances that required changes to the Land Use Ordinances and additional training for Board members. Board members attended training sessions on constitutional law and ethics this year to clarify their roles and responsibilities and to learn about new case law. The Rules of Procedure were amended and application forms for the various appeals were updated.

Jane Roberts was re-elected chairman; Gretchen Wittenborg was elected vice-chairman and clerk. Ashley Fletcher and Dianne Schott were appointed to the Board, filling vacancies created when Daniel Baker became an alternate and Ed Mattson resigned. Susan Silverman replaced Andy Clukey as Selectmen's representative in November. Steven Filipi was appointed an alternate in November.

The Zoning Board of Adjustment meets the second Tuesday of the month, in the lower hall of the Town Hall when they have an application before them. The Board invites and encourages all interested parties to attend hearings and meetings as noticed.

## 2005 REPORT OF THE HISTORIC DISTRICT COMMISSION

The Historic District Commission reviews all exterior construction located within the Historic District of Fitzwilliam. They are also responsible for the update, amendments, and adoption of the regulations in accordance with State statutes.

The Board reviewed eighteen proposals this year that included:

2 window replacement applications

2 business signs

2 new additions

2 storage sheds

2 house paintings

2 fences

1 barn

1 addition replacement

1 chimney

1 exterior renovation

1 roof replacement

1 new carriage shed

Residents are reminded that all exterior changes within the Historic District must come before the Commission for consideration and discussion. The Commission meets on the second Thursday of each month at 4:00 PM in the Town Hall when there is a case before it. All meetings are open to the public and we encourage participation from all those interested.

## 2005 REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission's aim is to preserve clean air and water, conserve open space, sustain diverse plant and animal communities, and ensure the wise use of the natural features that make living in Fitzwilliam enjoyable.

In 2005, we named Carmen Yon as chairman and Eleanor Vander Haegen, vice chairman. We regretfully accepted the resignation of Charles Roth and thank him for many years of dedicated work. We welcomed Dorothy Zug as regular member and Cheryl Davis, alternate.

We proposed two Warrant articles at Town Meeting in March. Both passed. Article 19 established an expendable trust for conservation purchases, and Article 20 allows the town to place easements on town conservation land in order to ensure that such properties are always kept for their intended use. We thank the voters for supporting these articles.

This year we are proposing two Warrant articles: One to consolidate adjacent town conservation properties into one town forest, and one to revise wording in the Wetlands Protection Overlay District ordinance to more accurately reflect its original intent. We hope you will support these articles.

GPS mapping of three hiking trails in town has been completed and hiking maps are now in the design stages.

The Commission recommended to the Planning Board the formation of a Community Forum that is working to develop a vision for the town's future. Fifty-two citizens attended the first meeting, and subcommittees are busily preparing for the forum to be held May 5-6, 2006. We hope you will attend.

We have also been encouraging property owners to consider placing conservation easements on their land, and presented a display about this at the fire department's annual Fun Fair in August.

We are in the process of updating, organizing, and developing displays of our growing collection of maps. Two maps delineating conservation lands in Fitzwilliam and neighboring areas were purchased, and several other recycled maps were acquired from Southwest Region Planning Commission. A used flat file cabinet was purchased to accommodate our larger maps.

Members have conducted 14 site walks, and advised on at least three other applications. We also conducted a letter-writing campaign to share concerns about ATV use on conservation lands with other conservation commissions. We continue to provide a monthly column about conservation issues in the town newsletter and have updated our Capital Improvements Plan.

## **2005 REPORT OF THE CODE ENFORCEMENT OFFICE**

The Code Enforcement office enforces regulations of the Fitzwilliam Land Use Codes, issues permits for construction and occupancy permits for new home occupation after completion of construction.

Upon receipt of a written complaint, the Code Enforcement Officer performs an investigation, ensures compliance of construction permits to applicable zoning requirements, dedicates Emergency 911 numbers; and reviews all construction permit applications and plans. This review ensures safety from fire, flood and establishes that all other public requirements are met. Once a permit has been granted, the Code Enforcement Officer visits the property prior to the start of construction to determine that all setback requirements have been adhered to.

If you should have any questions with regard to permitting for construction please contact the Board of Selectmen's Office to obtain a copy of the Construction Permit regulations. Please remember that all construction, renovation, demolition and changes to buildings require a permit. It is always best to check with our office prior to construction to determine if a permit is required. When applying for a permit, please remember to allow yourself enough time for the paperwork to be processed prior to the start date of construction.

In 2005, 91 construction permits were issued. Of the 91 permits issued 9 were for new single-family dwellings. If you should have any questions with regard to building issues, please feel free to contact the Selectmen's Office at 585-7723.

Respectfully submitted,

Mark Sweeney  
Code Enforcement Officer

## 2005 REPORT OF EMERGENCY MANAGEMENT

There were significant changes for Emergency Management of Fitzwilliam in 2005. The Board of Selectmen recognized the increased workload and the importance of the work being completed by the Emergency Management Director. The Selectmen decided to change the makeup of Emergency Management and created a three person Emergency Management Committee. The initial members were appointed for staggered terms, Winston Wright (2006), Deborah Burnham, (2007), and Nancy Carney (2008). Beginning in 2006 members of the committee will be appointed to serve a three-year term. Nancy Carney was appointed director for a one-year term.

At the request of the Board of Selectmen, the Emergency Management committee met and established goals and objectives for the upcoming year. These goals include:

- Updating the town wide emergency operations plan - including developing a resource list that can be used with the plan. (last updated in 1994)
- Identifying people in town who may need special accommodations/assistance in an emergency situation.
- Prioritizing and following the twelve areas of need identified by the Hazard Mitigation Plan. This plan was completed and accepted by the Board of Selectmen in 2005.
- Improving the emergency communication system for the Town of Fitzwilliam, including town wide alert systems, upgrading the town web site to include emergency notifications, improved radio communication capabilities within the town and investigating a dedicated phone line for emergency information.
- Improve public awareness of the National Flood Insurance program.
- Education, training and "drills" for town officials and community members in the areas of natural disasters and man-made disasters.

In 2004 Emergency Management applied for grant monies to assist in the cost of updating the town wide emergency operations plan. This appeared in last year's budget. However, the State put these 50/50 grants on hold and as of this writing has not released any of this money.

The Emergency Management budget request did increase for 2006 so we may begin to work on the aforementioned projects. We look forward to working with the townspeople in upgrading our response to potential natural and man-made disasters.

We also want to publicly thank Win Wright for having done the work of Emergency Management in Fitzwilliam for the past forty years and we are delighted he is part of the "new" three-person committee. Thank you Win.

Respectfully,  
Nancy Carney, Emergency Management Director  
Deborah Burnham

## REPORT OF THE CAPITAL IMPROVEMENT COMMITTEE

The Capital Improvements Committee was formed by the 2004 Town Meeting for the purpose of developing and maintaining a Capital Improvement Program, or CIP. In a CIP, all proposed capital improvements such as major equipment, vehicles, special studies, land, buildings, road construction, and other items with a cost of \$5,000 or more, are reviewed together and prioritized over a six-year timeframe. In developing the CIP, the Committee takes into account the Town's expense and revenue trends, levels of population, and forecasted growth. The purpose of the CIP is to stabilize tax rates by reducing sharp fluctuations in the town budget from year to year.

To prepare the CIP, the CIP Committee requested that all department heads submit their anticipated capital expenditures for the next six years and meet with the Committee to review their proposals. Each request was assigned a priority level of urgent, necessary, desirable, or deferrable. The Committee put all of the proposals down on paper to see the impact of completing all of them in the time frame proposed by the department heads. Finally, the Committee attempted to reorganize the projects, based on priority, to form a realistic plan.

The Committee's recommendations for the current year were presented to the Selectmen and Budget Committee members, who decided which ones to include in the 2006 budget. The voters at Town Meeting have the ultimate say in determining which projects will be completed and which will not. The CIP Committee will meet again next Fall to begin the process all over again.

In addition to the benefits outlined above, it is important to note that NH law allows municipalities to regulate development using growth management controls, provided the Town has adopted a Master Plan and a CIP. Having an up-to-date CIP allowed the Town to adopt the Growth Management ordinance that is currently in effect.

### **The CIP Committee recommended the following projects for 2006:**

<b>CAMA Software Upgrade</b>	\$18,000 (withdrawal from capital reserves).
<b>Maintenance of Town Buildings</b>	\$35,000 (Selectmen are agents of expendable trust).
<b>Community Forum</b>	\$6,000 (from taxation)
<b>Repair Roads</b>	\$155,000 (from taxation/approx. \$80,000 to be reimbursed by State).
<b>Loader/Backhoe</b>	\$87,000(\$67,000 from taxation / \$20,000 from Capital Reserve)
<b>Sander</b>	\$11,000(from taxation)
<b>Pave Recreation Parking Area</b>	\$20,000(from taxation)
<b>Pine Grove Fencing</b>	\$12,000 (\$2,000 from taxation/\$10,000 from Capital Reserve)
<b>Village Cemetery Stone Walls</b>	\$10,000 (\$4,000 from taxation/\$6,000 from Capital Reserve)
<b>TOTAL</b>	<b>\$354,000 (265,000 from taxation/\$89,000 from Capital Reserves)</b>

The CIP Committee recommended the following additions to Capital Reserve Funds & Expendable Trusts:

<b>Town Hall Painting</b>	\$20,000
<b>Maintenance of Town Buildings</b>	\$35,000

<b>Revaluation</b>	<b>\$15,000</b>
<b>Master Plan</b>	<b>\$10,000</b>
<b>Recreation Ball field</b>	<b>\$10,000</b>
<b>Conservation Land</b>	<b>\$15,000</b>
<b>Fire Department SCBAs</b>	<b>\$25,000</b>
<b>Police Department Vehicles</b>	<b>\$10,000</b>
<b>Fire Department Vehicle</b>	<b>\$40,000</b>
<b>Ambulance</b>	<b><u>\$10,000</u></b>
<b>TOTAL</b>	<b><u>\$190,000</u></b>

## 2005 REPORT OF THE MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission was created by State Statute and is charged to advise and guide the Department of Resources and Economic Development on the management of State lands and leased lands on Monadnock, Gap and Little Monadnock mountains.

The Commission met on August 31, 2005 at the Jaffrey Civic Center. NH Division of Parks Bureau Chief of Design & Development, Tom Mansfield presented an update on the implementation of the Gilson Pond Campground construction in accordance with the goals of the Monadnock Master Plan. Wetland mapping and delineation, identification of endangered and exemplary plant communities and approval from the Jaffrey Conservation Commission, requirements of the Bureau of Public Works, have been completed. A new well was drilled in July providing 30 gallons of water a minute. Major construction of the new family campground will begin May 2006 with its opening slated for May 2007.

Commissioner of DRED, R. Sean O'Kane commended the amount of cooperation between various agencies and the commission members in order to bring this project to fruition. One of his major goals as Commissioner is to see similar efforts to join mutual interests and resources to accomplish shared goals even when multiple government agencies are involved.

State law allows the Commission to accept donations. MAC has always been and continues to be the primary source for funding for search and rescue supplies and equipment at Monadnock State Park. Trail maintenance materials have also been donated to the park.

Andrew Zboray, Monadnock State Park Manager reported an overall decrease in attendance for 2005 due to poor weather during traditionally busy weekends. However, revenue has exceeded last year slightly due to the increased fee rate set by the Division of Parks. Combined day attendance at Headquarters and the Old Toll Road as of August 30, 2005 was 40,938.

The Commission unanimously approved and signed the following statement: " The Monadnock Advisory Commission played an important role in the formation and approval of a Mountain Zone Ordinance (an Overlay District) within the towns surrounding Grand Monadnock – Dublin, Jaffrey, Marlborough, and Troy. The Commission strongly defends the integrity of that Mountain Zone.

## 2005 ANNUAL MEETING MINUTES - Continued

**ARTICLE 6.** (By Ballot) Are you in favor of amending Section 127-19 F. of the Fitzwilliam Zoning Ordinance to add a reference to porches and building additions so that it will read as follows?

"All reduction to dimensions in the Table of Standard Dimensional Regulations for porches or building additions are to be by Special Exception."

YES      232      NO    194

**ARTICLE 7.** (By Ballot) Are you in favor of amending the Fitzwilliam Land Use Bylaw to add

Section 127-39.1 Growth Management Ordinance as proposed the Planning Board? The intent of the amendment is to establish a Growth Management Ordinance for the purpose of managing orderly growth and regulating the timing of development in Fitzwilliam and providing for orderly and reasonable expansion of services to accommodate growth as presented by the Planning Board at the public hearing held on February 1, 2005. Among other things, the Growth Management Ordinance will limit the number of new residential building permits issued each year.

YES      325      NO    126

The Annual Meeting postponed from March 8<sup>th</sup> opened at 7:07pm. on March 10<sup>th</sup> by Moderator William Prigge. We had a salute to the flag, followed by a prayer by Rev George Chapman. Moderator Prigge mentioned that Rev Lynda Tolton had surgery recently and could not be with us.

**ARTICLE 8.** To hear and act upon the reports of Agents, Committees and Officers, heretofore

chosen. Selectman Joan Knight made a motion to accept article as written and it was seconded. Ms Knight recognized Selectman Susan Silverman and the fact that she was retiring after 13 years of service to the town. Susan thanked everyone.

The Article was voted in the affirmative.

**ARTICLE 9.** Voted to create a committee of five members, to be appointed by the Board of Selectmen and charged with exploring the possibility of the town charging for ambulance services and presenting their recommendations to the town at the 2006 Annual Town Meeting. The Committee will consist of one member from the Budget Committee, one member from the Fire Department Member, one member from the Board of Selectmen and two members at large who are not serving on the previously mentioned boards, committees or departments.

Selectman Susan Silverman made a motion to pass the article as written and it was seconded. She asked that members at large write to the Board of Selectmen if interested in serving on the committee. John Tommila spoke about the public hearing and the discussion at that meeting. He wondered why we had to prolong the decision by having a committee to explore this service. Mike Methe also spoke about the article and the public hearing. Susan

To the inhabitants of the Town of Fitzwilliam, in the County of Cheshire, in said State, qualified to vote in town affairs, you are hereby notified to meet at the Town Hall in said Fitzwilliam on Tuesday, the 14<sup>th</sup> day of March next at seven (7:00) o'clock in the afternoon to act on the following subjects:

**ARTICLE 1.** To bring in your votes for the election of one Selectman for three years; one Selectmen for two years; one Fireward for three years; one Moderator for two years; one Supervisor of the Checklist for 6 years; one Supervisor of the Checklist for two years; two Budget Committee Members for three years; two Planning Board Members for three years; one Planning Board Member for two years; one Cemetery Commissioner for three years; one Cemetery Commissioner for one year; one Trustees of the Library for three years; one Trustee of the Trust Funds for three years; and three Commissioners of Plante Memorial Park for one year.

**ARTICLE 2.** (By Ballot) Are you in favor of amending the Fitzwilliam Land Use Code as follows?

Amend Chapter 219 Site Plan Review, Section 3 in accordance with authority granted under RSA 674:43 to read:

"A. The applicant is required to appear at a regular meeting of the Planning Board to discuss a proposal in conceptual form and in general terms.

Such preliminary consultations shall be informal and directed toward:

1. Reviewing the basic concepts of the proposal.
2. Reviewing the proposal with regard to the Town Master Plan and Zoning Ordinance.
3. Reviewing the town's site plan review regulations as they may apply to this proposal.
4. Guiding the applicant relative to necessary state and local requirements and forms.

B. Preliminary consultation and review shall not bind the applicant or Board; no public notice is required; no fees shall be charged; and no time limit for acting on the site plan shall apply."

(Recommended by the Planning Board)

YES

NO

**ARTICLE 3.** Are you in favor of amending the Fitzwilliam Land Use Code as follows?

Amend Chapter 127, General Uses, Section 127-8, by adding a new paragraph E. entitled

Livestock Keeping, allowing livestock, as defined in RSA 427:33 II, to be kept for non-commercial purposes on parcels of one or more acres, under specified conditions; and to add this item to the Table of

**ARTICLE 14.** (By Ballot) Are you in favor of amending the Fitzwilliam Land Use Code as follows?

Delete the present Chapter 127-42 E, Mandatory Findings for granting a variance, and substitute therefore a new section 127-42 E, which differentiates between Use and Area Variances as determined by recent case law:

**"For Area Variances:**

- (1) There would not be a diminution in value of surrounding properties as a result of granting this variance.
- (2) The granting of this variance would not be contrary to the public interest.
- (3)(a) An area variance is necessary in order to allow the applicant to use the property as proposed because of the special conditions of the property.
- (3)(b) The same benefit cannot be achieved by some other reasonably feasible method that would not impose an undue financial burden.

## **TOWN WARRANT 2006 - continued**

- (4) By granting this variance substantial justice would be done.
- (5) The use contemplated by the applicant as a result of obtaining this variance would not be contrary to the spirit of the ordinance.

### **For Use Variances:**

- (1) There would not be a diminution in value of surrounding properties as a result of granting this variance.
  - (2) The granting of this variance would not be contrary to the public interest.
  - (3)(a) The zoning restriction as applied to the property interferes with the reasonable use of the property, considering the unique setting of the property within its environment.
  - (3)(b) There is not a fair and substantial relationship between the general purposes of the zoning ordinance and the specific restriction on the property.
  - (3)(c) The variance would not injure the public or private rights of others.
  - (4) By granting this variance substantial justice would be done.
  - (5) The use contemplated by the applicant as a result of obtaining this variance would not be contrary to the spirit of the ordinance."

**PROPOSED AMENDMENTS  
TO THE  
LAND USAGE CODE  
OF THE  
TOWN OF FITZWILLIAM**

**Reference: 2006 Town Warrant Articles #3, 6, 8 & 12**

**WARRANT ARTICLE #3**

**127-8 E. Livestock Keeping** – Livestock, as defined in RSA 427:33 II may be kept for non-commercial purposes on parcels of one or more acres in the Rural District, providing:

- 1) animals, waste materials, grazing and keeping areas shall be a minimum of 50 feet from all property lines and 75 feet from wells, water bodies and wetlands areas;
- 2) livestock is securely fenced; and all livestock shall not place an undue burden on neighbors by proximity, odor or noise.
- 3) all livestock must have available shelter which meets or exceeds the recommendations of the UNH Cooperative Extension.

(Livestock is defined in RSA 427:33 II as cattle, horses, swine, sheep, goats, as well as domesticated strains of buffalo, bison, llamas, alpacas, emus, ostriches, yaks, elk, fallow deer, red deer, reindeer, and other species of animal susceptible of use in the production of meat and meat products.)

**WARRANT ARTICLE #6**

**§ 127-11. Business uses.**

A. Retail store: an establishment engaged in displaying and selling goods or merchandise within a building to the general public or to business establishments, which goods or merchandise are not intended for resale, except that a garden center, florist or commercial greenhouse may have an open-air display of horticultural products. All buildings shall be limited in size to a maximum of forty thousand (40,000) square feet in gross floor area. This limitation shall be applied as follows:

## **PROPOSED AMENDMENTS TO THE LAND USAGE CODE**

### **continued**

1. The forty thousand (40,000) square foot limitation shall apply to individual retail stores for which permits are sought and also to the cumulative sum of related or successive permits for retail stores that are part of a larger project, such as piecemeal additions to a building or multiple buildings on a lot or adjacent lots.
2. For purposes of this section, the gross floor area of a retail store shall include gross floor area and the area of all portions of the site outside of the exterior walls of buildings used for the display, storage, or sale of any goods, wares or merchandise.
3. The gross floor area of adjacent stores shall be aggregated in cases where the stores (1) are engaged in the selling of similar or related goods, wares or merchandise and operate under common ownership or management; (2) share check stands, a warehouse, or a distribution facility; or (3) otherwise operate as associated, integrated or co-operative business enterprises.
4. Stores over 15,000 square feet are required to submit market feasibility and traffic impact studies by an independent consultant chosen by the town, the cost of which is to be paid by the developer, and include a plan for reusing the building should the retailer vacate the space.

### **WARRANT ARTICLE #8**

Article IV, Section 127-15 B. Amend to read: The following regulations in this ordinance shall apply to all lands designated as special flood hazard areas by the Federal Emergency Management Agency (FEMA) in its "Flood Insurance Study for the County of Cheshire, NH" dated May 23, 2006 or as amended, together with the associated Flood Insurance Rate Maps dated May 23, 2006 or as amended, which are declared to be part of this ordinance and are hereby incorporated by reference.

Article IV, Section 127-15 C. Add the following definitions:

**FLOOD ELEVATION STUDY** means and examination, evaluation and determination of flood hazards and, if appropriate, corresponding water surface elevations, or an examination, evaluation and determination of mudslide (i.e. mudflow) and/or flood-related erosion hazards.

**FLOOD INSURANCE STUDY** see flood elevation study.

**MANUFACTURED HOME PARK OR SUBDIVISION** means a parcel (or contiguous parcels) of land divided into two or more manufactured home lots for rent or sale.

## **PROPOSED AMENDMENTS TO THE LAND USAGE CODE**

### **continued**

**NEW CONSTRUCTION** means, for the purposes of determining insurance rates, structures for which the 'start of construction' commenced on or after the effective date of an initial FIRM or after December 31, 1974, whichever is later, and includes any subsequent improvements to such structures. For floodplain management purposes, new construction means structures for which the start of construction commenced on or after the effective date of a floodplain management regulation adopted by a community and includes any subsequent improvements to such structures.

**VIOLATION** means the failure of a structure or other development to be fully compliant with the community's flood plain management regulations. A structure or other development without the elevation certificate, other certifications, or other evidence of compliance required in 44CFR §60.3(b)(5), (c)(4), (c)(10), (d)(3), (e)(2), (e)(4), or (e)(5) is presumed to be in violation until such time as that documentation is provided.

Delete Section 127-15 (2) and (3).

Add the following creating a new Section 127-15 I (2): The Code Enforcement Officer shall obtain, review, and reasonably utilize any floodway data available from Federal, State, or other sources as criteria for requiring that all development located in Zone A meet the following floodway requirement.

"No encroachments, including fill, new construction, substantial improvements, and other development are allowed within the floodway that would result in any increase in flood levels within the community during the base flood discharge."

Delete Section 127-15 J. (1) and J. (1) (a).

Renumber 127-15 J.(1) (b) to J.(1) and change from "unnumbered A zones" to "Zone A."

In 127-15 J (2), take out reference to all zones except Zone A.

In 127-15 J (2) (d), take out reference to all zones except Zone A.

Remove 127-15 J (2) (f) as the town has no AH or AD zones.

Remove 127-15 I (2) and (3) as the town has no mapped floodways.

**WARRANT ARTICLE #12**

**Section 127-31      Prohibited signs.**

This section intends to list specifically some prohibited signs. This list is not meant to be inclusive. Rather, it should be representative of the kinds of signs, which are prohibited in the community. The following are examples of prohibited signs:

- A. Any off-premises sign advertising or identifying a non-agricultural business, including off-premises directional signs bearing advertising or which are not a part of an approved sign plan.
- B. Illumination prior to 7:00 AM or after 9:00 PM of any signs in the Residential, Historic or Village Center Districts.
- C. Illumination of any signs in the Industrial and General Business Districts more than one half hour prior to or after the business is operating.
- D. Any sign which has visible moving parts, blinking, moving, or changing illumination, or any part consisting of banners, streamers, ribbons, inflatable parts or similar devices any or all of which have the potential of distracting the attention of motorists. There are three exceptions: the traditional moving signs of a barber pole, signs showing temperature and time and open flags as described in the exemption section.
- E. Any sign emitting sound, speech, or noise, including sound tracks.
- F. Any placement of a sign deemed by the Board of Selectmen, or their designate, to be unsafe, such as a sign that would interfere with the view of or by pedestrians or motorists.
- G. Any sign similar to traffic or directional signs and thus potentially confusing to pedestrians or motorists.
- H. Any sign illuminated in such a manner as to throw light directly onto any street, adjacent property, or upward towards the sky. Illumination which has the specific purpose of outlining any part of a building such as a gable, roofline, sidewalk, or corner, is prohibited by this section.
- I. Any flashing lights, intermittent lighting, or changing lighting or lettering.
- J. Any signs affixed to the roof of any structure in such a way as to project above or beyond the roofline.
- K. Signage which emits odor, vapor, smoke, sound or noise.
- L. Signs placed in the public right-of-way, including signs placed on utility poles.

## **PROPOSED AMENDMENTS TO THE LAND USAGE CODE**

### **continued**

M. Signs which contain statements, words, or pictures of an obscene, indecent, or immoral character, such as will offend public morals or decency.

N. Portable or mobile signs except as may be permitted in section 127-32.16 of this ordinance.

O. Signs attached to fences, trees, utility poles, rocks or other parts of a natural landscape, or in a position that will obstruct or impair traffic or in any manner create a hazard or disturbance to the health, safety and welfare of the general public.

#### **§ 127-32 Signs Which Do Not Require a Permit.**

The following types of signs do not require a permit, but which nevertheless must comply with the provisions of this chapter (especially height, set back and other restrictions).

1. Resident Identification Sign: Signs not exceeding three (3) square feet in area and bearing only property numbers, postal numbers, names and professions of occupants, or other, similar information.
2. Window Signs: In the Business or Industrial Districts shall not require a sign permit, provided that the aggregate display surface covers no more than twenty-five percent (25%) of the window or door on which they are placed. Such signs shall not be illuminated other than by standard lighting fixtures on the building. Window signs promoting a public service or charitable event shall not be calculated in the allowable twenty-five percent (25%).
3. Street signs in conformity with municipal or state requirements.
4. Directional signs, each no greater than four (4) square feet in area and no higher than six (6) feet off the ground, which display only information for motorists or pedestrians, such as signs indicating entrances, exits, or parking.
5. Any sign required by Federal, State, County or Local law.
6. Legal notices such as "No Trespassing" or "No Hunting" and information signs erected or required by governmental bodies.
7. Business names and directional signs, no greater than three (3) located over or adjacent to doorways.
8. Signs located on rolling stock of licensed common carriers or registered motor vehicles fit for highway use and not used to defeat the spirit of this ordinance.
9. National, State, Provincial or Religious Flags, EXCEPT when used in such a manner or in such quantity as to draw attention to a commercial enterprise. No unrelated message may be used or attached to such a flag.

## **PROPOSED AMENDMENTS TO THE LAND USAGE CODE**

### **continued**

10. Political signs erected in conjunction with an election may be erected not more than four (4) weeks prior to the election and must be removed within two (2) days following the election.

11. Flags, usually 3 feet by 5 feet in size and usually red, white and blue in color, and solely containing one word such as open, antiques, food, or restaurant are permitted. Properties are limited to one flag unless the property is located on a corner and has two (2) sides on a public way in which case the property may use two (2) flags.

12. Signs no more than two (2) and each not to exceed six (6) square feet listing agricultural or horticultural products grown or produced by the resident seller, in season, for such operations as farm stands or Christmas tree sales.

13. Signs no greater than two (2) square feet in area and containing messages such as Open, Closed, Vacancy, No Vacancy and credit card, telephone, restroom, gasoline prices, and other similar informational messages.

14. Signs for construction in progress: One sign not greater than thirty (30) square feet, identifying the owner, contractor, architect or developer, to be erected not more than fourteen (14) days before construction begins and removed within thirty (30) days of completion or occupancy.

15. FOR RENT or FOR SALE signs meeting the following requirements:

(a) Must be placed by the property owner or licensed real estate broker or his/her agent.

(b) One sign, including off premise directional informational may be used in conjunction with specific property and with written permission of the owner of the property on which the sign located.

c. Signs not to exceed six (6) square feet in area.

d. Such signs as referred to in this section shall be removed within 10 days of transfer of title or the signing of a lease or rental agreement.

16. Temporary Signs: are signs that advertise special events erected subject to the following conditions:

(a) Charitable or community events or special commercial promotions, temporary signs may be erected on the premises of the person or organization conducting the event not earlier than three (3) weeks prior to an event and must be removed not later than two (2) days following the event. An organization may not have temporary signs in place for more than fifty (50) days in any calendar year.

(b) Temporary signs deemed to be in the public interest may be placed on Town property upon application to and approval by the Board of Selectmen.

(c) Temporary signs may not exceed the maximum size or maximum height permitted in the district in which they are placed.

(d) Daily Special Signs: May be placed on the premises only during open business hours and may not be larger than 3' x 4'.

17. Accessory signs such as "open, closed, sale and the like", not exceeding three(3) square feet in area, and which are attached to signs for which permits have been issued.

18. Yard Sale and private owner merchandise sale signs for garage sales, tag or estate sales, and auctions, not exceeding four (4) square feet of sign surface area for a period not exceeding 7 days.

#### **§ 127-33 Signs Permitted in General Business and all Industrial Districts.**

Any principal use permitted in the Business or Industrial Districts may erect a sign or signs subject to the following:

A. Exterior Sign: Except as may otherwise be provided, one (1) exterior sign shall be permitted for each business, not including directional or informational signs. The exterior sign may be a wall sign or individual letter sign.

B. Wall Sign or Individual Letter Sign: A wall sign or individual letter sign on the exterior of the first floor of a building shall not exceed in area of one (1) square foot for each linear foot of the wall or forty (40) square feet in width, whichever is less. The length of signs of businesses occupying other than the first floor of a building shall not exceed eight (8) feet. No portion of a wall sign or individual letter sign shall project over the face of the building.

C. Secondary Signs: If a business has a direct entrance into the business in a wall other than the front wall, there may be a secondary sign affixed to such wall, and if the business has a wall, other than the front wall, that faces upon a street or parking area, there may be a secondary sign affixed to such wall whether or not such wall contains an entrance to the business; provided, however, that no business shall have more than two (2) secondary signs in any event. The total display surface of any secondary sign shall not exceed six (6) square feet.

D. Directory Signs: One (1) exterior directional sign listing the name and location of the occupants of the premises may be erected on the exterior wall of a building at each entrance or other appropriate location, provided that the display area shall not exceed one (1) square foot for each occupant identified on the directory sign.

## **PROPOSED AMENDMENTS TO THE LAND USAGE CODE**

### **continued**

E. Directional Signs: Directional signs may be erected near a street, driveway, or parking area if necessary for the safety and direction of vehicular or pedestrian traffic. The display area of each directional sign shall not exceed eight (8) square feet, and no directional sign shall be located more than six (6) feet above ground level if mounted on a wall of a building or more than three (3) feet above the ground if freestanding. Directional signs shall not advertise, identify, or promote any product, person, premises or activity, but may identify the street name/number and provide traffic directions.

F. Freestanding Business Signs:

1. One (1) freestanding business sign which identifies only the name of a business center or a business may be erected on a lot. The display area of a freestanding business sign shall not exceed thirty-two (32) square feet, and the height shall not exceed twelve (12) feet, provided that the sign has a seven (7) foot lift. Freestanding business signs shall be permitted in the Village Center Business District provided they are not larger than twelve (12) square feet in area and have been approved by the Historic District Commission.
2. A single business, single building, which is located on a corner lot may have 2 signs facing each public view. The total area for each sign is not to exceed thirty-two(32) square feet.
3. A group of 2 or more businesses and/ or industrial building may have one sign per entrance from a public road. Each sign is limited to a maximum of thirty-two (32) square feet of sign surface area and must be free standing. Individual occupants with a building or collection of buildings may have, in addition, one (1) sign with up to six ( 6) square feet of sign surface area per occupant on the exterior of the building. In addition to the above, each individual occupant may have one (1) sign with up to two (2) square feet of sign surface area at its rear entrance.

#### **§ 127-33.1 Signs Permitted in All Districts.**

Signs identifying Home Occupations or other similar uses allowed under the terms of the zoning ordinance.

Only one (1) sign per premise, not to exceed four (4) square feet in area and maximum height is five (5) feet above surrounding ground level. All such signs are subject to any restrictions as to lighting etc. provided such signs conform in all other respects to the provisions of this chapter. All Home Occupation signs within the Historic District are subject to Historic District Commission approval.
